

Dear George

Hi, I hope everything is good for your family and for Harry. I really miss him. Please give him a hug and a kiss for me.

I have some good news, well it is mostly good news ... I have an opportunity to go to school! I am so happy, sad and nervous.

Happy because I would like to become more educated and get a good job and take care of Harry. I also feel sad and nervous because it is going to be for two years and I wouldn't have time for Harry. What I want is for Harry to be happy and healthy. Over the next two years may be hard for him ... it will be hard for both of us.

George, thank you for caring for my son for now. When he grows up he will understand why he can't live with me for the next two years.

Remember to give him a hug and a kiss for me.  
Take care!

Julie Ned
