

Chief Leanne Joe,

Gina has missed a considerable amount of classes this semester. If she continues to miss school without a valid reason, we will need to hold her back for another year.

Gina is capable of doing the work, but she misses assignments when they are handed out in class and then doesn't get them in on time. Our school can arrange for counseling or a student aide to assist Gina complete her Grade 6, but we need Gina's cooperation.

If Gina has been absent for a valid reason such as a medical condition, please let us know immediately and we can make arrangements to send her assignments home.

Sincerely,

Gosh Hamenn  
H.V.N. School President
