

Response to School letter re: Angelina's clothing

March 22, 2005

Angelina and I met with her teacher and the Principal to discuss her Choice of school clothing and the schools dress code policy.

The dress code of girls having to wear skirts and dresses below the knee was addressed. It was agreed that just above the knee is a more realistic dress code and will be addressed at the next staff meeting.

Angelina agreed that she would not wear her skirts so short, and that she would wear more appropriate tops at school.

The teacher said that she was please that Angelina attended the meeting and that they could hear her input.
